

Signage in Sentinel on the River

The company is SignKwik here is the link to their website <http://www.signkwik.com/> Tell them you need the custom signage for the community, and they will provide you with the order form.

Please be advised of the following:

- 1- The only approved vendor for the realtor signs is SignKwik. Here is the link to their website <http://www.signkwik.com/> please contact them for the order form.
- 2- "Riders" on the signs are not permitted.
- 3- For Sale signs can only be made in the approved green font on white sign on a wooden black post as provided by SignKwik.
- 4- Realtor logos and realtor content cannot be in any other color than the approved green front.
- 5- Any additional content or riders regarding the description of the listing (i.e. Hardcoat Stucco, Pool or any other similar descriptions) is strictly prohibited.
- 6- Open house signs and small directional signs can only be placed out at the front entrance of the community at the time of an open house and must be picked up as soon as the open house is over for that day/time. The open house directional sign can only be made in the approved green font color over a small white sign. Failure to comply with any of the listed above will result in the immediate removal and or disposal of the signs.
